To Our Highly Valued Market Stall Providers

2024 Act Belong Commit Darkan Sheepfest | Saturday 10th February

Act Belong Commit Darkan Sheepfest is now officially on the Australian map, thanks to the ABC Back Roads television series, and we couldn't be more thrilled. As one of our potential stallholders we hope you are too!

Other towns and their event, featured on Back Roads, have seen a minimum 30% increase in visitors the following year, or in some instances, now reach sellout capacity for tickets in the lead-up to their show. Thanks to the generosity of our sponsors, their involvement provides completely free entry for every person attending. A rare gift with events and shows nowadays. Our aim is that free entry means that our stallholders are well supported.

Our theme for next year will be our 'NEXTGENWOOL' initiative. This is an exciting new concept and we look forward to sharing more details with you as we progress.

A much loved and important part of not only our show, but all shows, are high quality market stalls and friendly providers. Feedback we have received from previous stall holders is that our show is impeccably run, our sites are extremely affordable, and our community is very welcoming and friendly.

Therefore, we hope you consider being part of our show. Please read the attached conditions before submitting your application.

Our committee are very appreciative of your support for our show. We are hoping you will be interested in being a stallholder in 2024! Please contact us if you require any further information.

Kind Regards
