Dear Wool Producer

**2024 Act Belong Commit Darkan Sheepfest
Ewe Hogget Competition**

Darkan Sheepfest continues to be proud of celebrating sheep and wool each year and our 2024 event is no exception!

The focus for our event this year is 'The Next Generation'. This is all about getting Young Australians excited and passionate about sheep and wool. There is no better place for this to happen than at Sheepfest.

The sheep area is a vital meeting place at our show. Our junior judging event will support in educating the next generation about our sheep and wool industry.

Please consider supporting Darkan Sheepfest and nominating a pen of 10 young ewe hoggets (red tags). This event will help educate not only the next generation but also visitors from the city about sheep and wool. There are great prize incentives to support your decision in entering.

Thank you for your support of Act Belong Commit Darkan Sheepfest.

Regards,

Nathan King
